

## West Virginia Parkways Authority

### ADDENDUM #1

February 7, 2023

RFQ: **Hydraulic Hammer (1)**

Bid Opening Date: February 16<sup>th</sup>, 2023 @ 2pm  
Addendum issued to correct Equipment Model.

**Change From: see pg 4**

Units: One (1) 1.0

These specifications describe a HYDRAULIC HAMMER, (hereinafter referred to as "unit") for equipment model **SL4100** Series V Gradall, to be purchased by the West Virginia Parkways Authority (hereafter referred to as "Authority"); define the provisions to be contained in proposals for the sale of said unit to the Authority; establish an enforceable schedule for delivery; and establish criteria for gauging the compliance of the bidder to these specifications.

**Change To: see pg 4**

These specifications describe a HYDRAULIC HAMMER, (hereinafter referred to as "unit") for equipment model **XL4100** Series V Gradall, to be purchased by the West Virginia Parkways Authority (hereafter referred to as "Authority"); define the provisions to be contained in proposals for the sale of said unit to the Authority; establish an enforceable schedule for delivery; and establish criteria for gauging the compliance of the bidder to these specifications.

**Change From: see pg 8**

#### **5.7 UNSPECIFIED ACCESSORIES AND FEATURES**

All parts, equipment, adaptor plate for quick connect-disconnect, accessories, material, design and performance characteristics not specified herein, but which are necessary to provide a complete workable unit with power plant (**GRADALL SL-4100V**), drive system, operator accommodations and operator controls, shall be furnished with the unit and shall conform in strength, quality of materials and workmanship to those which are advertised and provided to the market in general by the unit industry. All parts and accessories advertised and regularly supplied as standard shall be included, except those which would represent duplication of the accessories specified and those which are by specification optional. All standard safety features, required by federal and state laws, shall be included. Where applicable, tire and rim dimensions, design and safety standards shall conform to the latest federal specifications concerning the interest of public safety.
